WANT TO CHANGE THE WORLD?

Be the change.

ICCM strives to make a difference in the lives of the vulnerable children of the world. Sponsoring a child and giving through ICCM provides children with food, education, clothing, and more, but it most importantly provides hope to children with no hope. It gives hope to the children's families and their whole communities. Food provides meals for the hungry. Anti-trafficking initiatives provide a safe haven for the defenseless. Animals provide a source of revenue and food. Medical assistance provides healing and the saving of lives. Water filters prevent disease. Giving through ICCM makes a profound difference in the lives of the children and their families. Be the change. Together we can make a difference and change the world.

GIVING THROUGH ICCM CHANGES THE WORLD

One child at a time.

“Our hearts are filled with gratitude and praise. We would be hungry if you didn't help us.”

EXTEND YOUR TABLE

We invite you to extend your table to children who do not have enough. This is such an important part of ICCM. Not every child is sponsored or has the resources to eat every day. Through Extend Your Table, ICCM sends funds for food where it is needed most; where

children are hungry and undernourished. The nourishment that is provided is truly lifesaving. This is a continuing urgent need. Be the change. Provide sustenance for the hungry.

ANTI-TRAFFICKING INITIATIVES

There are more slaves today than at any other point in human history, millions of whom are children. For the most vulnerable, we offer homes or targeted educational resistance programs. Sponsorship is our most effective tool against trafficking. We also provide anti-trafficking initiatives in Colombia, Ethiopia, the Philippines, Thailand and more. These funds provide care and education to defenseless children. They equip thousands of adults and children to prevent exploitation every year. Be the change. Provide hope and freedom for those in need.

ANIMALS OR SHARE OF A LARGER ANIMAL

Animals can provide many different benefits for children and their families in need, including nutrition, education, responsibility, and economic support.

ANN'S ANGEL FUND

Named after a previous ICCM director, Ann's Angel Fund provides vital emergency medical care at urgent moments in children's lives.

BIBLE & SONGBOOKS

Providing a Bible and a Christian songbook to a child in their heart language makes a world of difference in their spiritual development by speaking words of life and hope into their lives.

SOLAR LIGHT PROJECT

Around the world, in places where electricity is sparse or non-existent, ICCM is able to provide solar lights to ICCM children so they can continue their studies when there is no electricity.

WATER FILTERS

Providing a water filter to a child and their family is incredibly lifesaving as it filters out 99.9999% of harmful bacteria, ensuring a healthier and longer lasting life.

WHERE NEEDED MOST

Missional-critical needs arise through the year. Giving towards the greatest needs around the world helps ICCM with training field staff, starting new initiatives, and providing quality care.

WUNDERS

ICCM partners with WUNDERS, which provides re-usable menstrual kits and education which helps keep girls in school around the world.

YOU HAVE RECEIVED;
“freely” FREELY GIVE.”
— MATTHEW 10:8b (NIV)

“Do all that you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can.”

— JOHN WESLEY
